### LCV ACTION FUND

I wanted to invite you to a reception in support of **Rep. Martin Heinrich** and **Sen. Jon Tester's** 2012 Senate campaigns that LCV Action Fund is hosting. One of LCV Action Fund's priorities is to raise contributions directly for candidates and to "bundle" these contributions from environmentally-minded donors. By doing this we show the candidates that there are pools of donors who support candidates *because* of their commitment to these issues and amplify the donation and the power of the environmental community. I hope you will be able to join us on **June 7th at Union Station** and also consider bundling your contributions to candidates in the 2012 cycle through LCV Action Fund.
